

Chloey owns Black and White Raven Company - an LGBTQ+ Indigenous-owned business based in Juneau, Alaska. Chloey is Was'ineidi Tax'Hit, Eagle Wolf clan in Kake, Alaska and credits her commitment to community and culture from her grandfather Archie Cavanaugh. Born and raised in Southeast, Chloey believes that the panhandle of Alaska is more than the enchanting beauty it beholds, but a teacher, a way of life, and a distinct part of her Tlingit identity passed down from generation to generation.
